

Sunflower Sampler Special Directions

In addition to the directions provided on the chart, here are a few supplemental directions that would not fit. I hope this helps you to complete this advanced project.

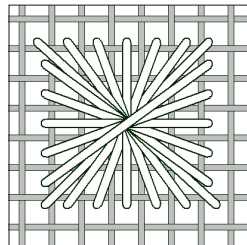

Use two strands of white floss throughout the piece for coverage. Use one strand for other colors unless specifically noted in the special directions. A line on the stitch diagrams provided below represents a single thread of linen. Cross stitches are over two threads.

When stitching the alphabet, stitch *your own initials* in the lighter green, Grape Leaf. Use one strand of floss.

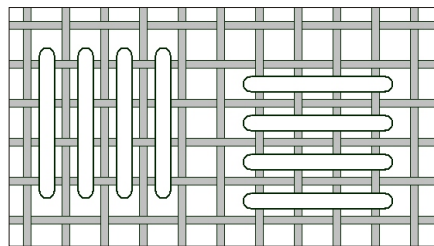

Stitch *the outside blue border* using a horizontal or vertical stitch over 6 threads. Use two strands of floss.

Stitch the 3 by 3 *bottom corners of the blue border* as a Smryna Cross over 6 threads. Use 2 strands of floss.

Stitch *the inside red border* using a horizontal or vertical satin stitch over 4 threads. Use 2 strands of floss.

Stitch the 2 by 2 *bottom corner of the red border* as a Smryna Cross over 4 threads. Use 2 strands of floss.
