

Sunflower Sampler

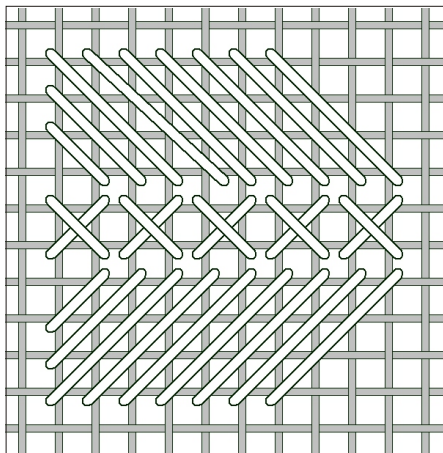

Special Directions

Page 3

Stitch *the roof* using alternating rows of cross stitches and diagonal satin stitches over 4 threads. Alternate the direction of the diagonal satin stitches so that one row faces to the right (with a row of cross stitches in between) and the next row to the left. Use 2 strands of floss.

Stitch *the two chimneys* using the same pattern as the roof. Alternate rows of cross stitches and diagonal satin stitches over 4 threads. Alternate the direction of the diagonal satin stitches so that one row faces to the right (with a row of cross stitches in between) and the next row to the left. Use 2 strands of floss.

Stitch *the birds' wings* using cross stitches in red (Mulberry) first. Then pad the cross stitches by stitching another long diagonal satin stitch on top of the cross stitches also in red. Use 2 strands of floss.
